

# Syntax Highlighting Bonanza

---

## Rust

---

```
fn main() {  
    let x = 5;  
    println!("Value: {}", x);  
}
```

## CSS

---

```
.markdown-body {  
    box-sizing: border-box;  
    min-width: 200px;  
    max-width: 980px;  
    margin: 0 auto;  
    padding: 45px;  
}
```

## YAML

---

```
convpdf:  
  margin: 10mm  
  toc: true  
  theme: github
```

## SQL

---

```
SELECT users.id, profiles.bio  
FROM users  
JOIN profiles ON users.id = profiles.user_id  
WHERE users.active = 1;
```

## HTML

---

```
<div class="container">  
  <h1>Hello World</h1>  
  <p>Static content</p>  
</div>
```
